

**You are invited to view
The Vietnam Traveling Memorial Wall**

When: November 1-5, 2018

Where: Soccer field on

**Rolling Acres Road, North of Highway 466 in Lady
Lake, FL.**

The Memorial will be available for viewing around the clock on these days.

In addition to the 24,000 veterans currently living in the Villages, we anticipate more than 15,000 visitors from surrounding areas to participate in this special event. This exhibit serves as a reminder of the great sacrifices made during the Vietnam War and allows people the opportunity to pay tribute to their friends and loved ones.

Please join our veterans, neighbors, and families as we pay a much-deserved tribute to these fallen heroes.
