# VOTE

SUPERVISOR OF ELECTIONS  
LAKE COUNTY FL  
*Alan Hays*  
IN HONOR OF A  
VETERAN

**ABOUT:** The Lake County Supervisor of Elections Office is pleased to provide our voters with the Vote in Honor of a Veteran program. The intent of this program is to encourage voter participation, as well as remind citizens about the contributions our veterans have made. Countless sacrifices made by many brave men and women on behalf of this great state and nation stand as examples that underscore the need for us to take our responsibilities seriously, especially our right to vote.

**SUBMIT A VETERAN:** To add a veteran to our Honor Wall, which will be displayed both on our website and at our office, the veteran or an immediate family member should fill out and submit a Veteran Biography Form. All individuals who served our country are included, whether it is peacetime or wartime, past or present. We need your participation to make this valuable program a success. All branches of service will be denoted on the Honor Wall.

We ask that you submit a photo of the veteran (preferably in uniform) along with the biography form. You may return the completed Veteran Biography Form and veteran photo via email to [Nanci@LakeVotes.com](mailto:Nanci@LakeVotes.com) or bring the veteran's photograph to our office for scanning. Biography Forms are available at the office of Supervisor of Elections, 315 W. Main Street, Suite 144, Tavares, FL 32778.

**ON ELECTION DAY:** Anyone who wishes to honor our veterans will be given an "My Vote Honors Veteran \_\_\_\_\_" sticker instead of the regular "I VOTED" sticker. We encourage everyone to take a photo wearing their sticker and post it on social media. Hopefully this will encourage others to participate and remind folks of their sacred right to vote.

**GET INVOLVED:** If you are a veteran and would like to share your story and why you think it is important to vote, please let us know. We would like to include you in our outreach activities. We visit area high schools and conduct voter registration drives, attend numerous festivals throughout the year, attend various Chamber of Commerce events, and we would welcome you to participate in any of these events. Your personal story might reach individuals who are voting for the first time or maybe folks who are registered, but have not participated in elections. We would like to thank you for your service, and we look forward to hearing from you.
